Consulted BPS Eyer about claim 1 with respect to the 112 nd rejection and the lack of clarity with the claim. A 112 th rejection over possession was discussed however the prior art + state of the art and rejection already been being made over the polypeptide having a fragment longer than S being addressed; the Written Desc was no longer necessary. Also claim 9, and the applica of art rejections was det and discussed. 11/17/02
